D. NO. 8212 SD.

Comptroller's Office, Bangalore.

No. 1182/ Spl. *Dated the* 8th June *194* 4.

The Financial Secretary to Government,
Bangalore.

Sir,

Food Supply Audit & Accounts staff.

I have the honour to forward herewith a copy of letter No.S.D./Accts. 7113 dated 2-6-1944 together with its enclosure received from the Auditor and Accounting Officer, Food Supplies Department and to request that sanction of Government may kindly be obtained to continue the Accounts staff as detailed in the Auditor's letter for a further period of four months from 1-7-1944 for the Rationing Office in Mysore City. Sanction may also be kindly accorded for the appointment of one Accounts clerk for every ten depots and conveyance allowances of Rs.7/8/- to the Accountant and Accounts clerks and Rs.15/- to the Superintendent may also be allowed as proposed.

I request that early sanction of Government may kindly be conveyed to the above proposals.

I have the honour to be,
Sir,
Your most obedient servant,

COMPTROLLER.

No. SB/Accts. 7/13

Office of the Auditor and Accounting Officer,
Food Supplies Department, Bangalore,
Dated 2nd June 1944.

To

The Comptroller to the Government of Mysore,
Bangalore.

Sir,

3

Adverting to G.O. No. SB-4947-49/A.104-43-47 dated 26/28-1-1944 sanctioning the appointment of the marginally noted Accounts staff till the end of June 1944, for the purpose of checking the bills, compiling and auditing the accounts of the Rationing depots, Mysore City, I have the honour to forward herewith a note by the Superintendent, Rationing depot/Audit, Mysore City explaining the work done so far and the work yet to be done for completing the audit of the accounts of all the Rationing institutions in the Mysore City. The work that is handled in Mysore City Sales Depots is the same as in Bangalore City, as the same numbers of ration cards are allotted to each depot. Further, the Audit staff at Mysore compile the Division accounts submitted by Food Inspectors to the Rationing Office. It is therefore found that one auditor cannot handle twelve depots. I request that only ten depots may be allotted for each auditor per month as in Bangalore. Further, though the Government Order sanctioning the staff was issued on 28-1-1944, the full staff could be posted only during April 1944 for want of hands and this has resulted in arrears.

Accounts staff:

- Second grade Superintendent (118-6-160) ✓
- One Accountant (60-5-100) ✓
- One Accounts Clerk on 30-3-60 for every twelve depots opened in Mysore City, the appointment being made as and when necessary. ✓
- One extra Accounts clerk on 30-3-60 for general purposes. ✓

Under these circumstances, I request sanction to continue the full staff for a period of four months from July 1944 and later on at the rate of one auditor for each remaining ten depots, in addition to one Superintendent, one Accountant and one clerk sanctioned for general purposes.

Further, the auditors at Mysore are complaining that they have not been given any conveyance allowance though their work is in no way less than that at Bangalore. I request that a conveyance allowance of Rs. 7-8-0 to the Accountant and Accounts Clerks and Rs. 15/- to the Superintendent may be recommended for sanction as against Rs. 10/- and Rs. 15/- respectively paid at Bangalore.

Provision has been made in the budget of 1944-45 for the salary of the above staff.

I have the honour to be,
Sir,
Your most obedient servant,

Auditor and Accounting Officer,
Food Supplies Department.

Submitted with reference to memo No. 5685/Accts. dated 11-5-44 regarding the continuance of the Audit staff attached to the Rationing Office, Mysore.

---

1. We have so far audited and issued audit notes on the -- accounts of 16 closed and 2 running depots. The audit of accounts of two more closed depots and of 8 running depots is in progress so that, in all, we will have audited the - accounts of 28 depots.

From the unsatisfactory condition of the initial -- accounts, the volume of transaction and the several types of serious irregularities already noticed, it is not - - - possible to do a month account of a depot in less than three days.

2. On the above basis, the time required for completing the -- audit of all depots and bringing the work up to date, will be as follows:--

1)	The accounts for May and June 44 of ten running depots already audited up to end of April 44.	.. 20
2)	The accounts from December to June 44 of 41 depots to be taken up afresh	.. 287
3)	- do - from April to June 44 of six emergency depots newly constituted.	.. 18
		325

There will thus be accounts for 325 months to be audite and the time required by the audit staff of 6 hands with the Superintendent will be 163 working days.

Besides the audit of the depot accounts, there are the accounts of the Rationing office and the two Circle offices - from December to end of June 44 to be reckoned with. We may set apart approximately one month for this work.

On the whole, we may require the audit staff consisting of one Superintendent and Accountant and 5 Accounts clerks to continue for a further period of six months from 1-7-1944, if the accountsof all the depots, Rationing office and sub offic from the commence of the operation to end of June 44 have to

have to be completely audited and the work brought up to date.

3. A draft letter to the Comptroller seeking sanction for the continuance of the staff is herewith for favour of approval/~~xxx~~ or other orders.

OFFICE OF THE COMPTROLLER TO THE GOVERNMENT OF
HIS HIGHNESS THE MAHARAJA OF MYSORE

No. 237/Spl

Dated 9th September, 1944.

From

M. SHAMANNA, Esq., M.A.,
Comptroller to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

To

The Financial Secretary to Government
of His Highness the Maharaja of Mysore,
BANGALORE.

Sir,

Accounts staff for auditing the accounts of the Rationing Depots, Mysore City.

I have the honour to state that the continuance of the Accounts staff referred to for a further period of four months from 1st July, 1944, has been recommended in my letter No.1183/Spl., dated 8th June, 1944 addressed to you for which orders of Government are still awaited.

In this connection I wish to state that in the G.O.No. SD.1151-55/A.17-44-2, dated, 18/24th August, 1944 (Financial Communication No.690 dated 23-8-44) sanction has been accorded till the end of June, 1945 for the following staff in addition to the other Establishments for rationing work in the Mysore City based on the recommendation of the Director of Food Supplies.

Accounts Establishment to the Rationing Officer, Mysore City.

One 2nd grade Superintendent	on Rs.118-6-160
One accountant	on Rs.60-5-100.
One accounts clerk for every 12 Government Depots opened in the Mysore City, the appointment being made as and when necessary	on Rs.30-3-60
One extra accounts clerk	on Rs.30-3-60 for general purposes.

But my recommendation was for the continuance of the existing staff (viz., 1 Superintendent, 1 accountant, 1 extra clerk for general purposes and one accounts clerk for every 12 depots) for a period of four months from 1st July, 1944 and later on at the rate of one auditor for each remaining ten depots in addition to one Superintendent, one accountant and one clerk for general purposes. Sanction was also sought for a conveyance allowance of Rs.7-8-0 to the accountant ~~and xxxz accountant~~ and accounts clerks and Rs.15/- to the Superintendent as against Rs.10/- and Rs.15/- respectively paid at Bangalore.

According to the sanction accorded in the G.O.dated 24-8-44 above referred to some clerks have to be reduced even now which is not possible under the circumstances referred to in my letter dated [illegible] 1944. I, therefore, request that sanction of Government may kindly be conveyed to my proposals as detailed below:-

1) The entire staff as existed on 30-6-44 to be continued for four months from 1st July, 1944.

2) One Superintendent, 1 accountant, 1 accounts clerk for general purposes with one clerk for every ten depots thereafter, and

3) Conveyance allowance at the rate of Rs.7-8-0 to the Accountant and Accounts clerks and Rs.15/- to the Superintendent.

In anticipation of Government sanction being accorded to my proposal I have permitted the Auditor and Accounting Officer, Food Supply Department, Bangalore, to draw the pay of the establishment as existed on 30-6-44 for July and August,44 provisionally. I request that action taken may also be approved.

I have the honour to be
Sir,
Your most obedient servant,

COMPTROLLER.
